

IPS ^{The} Iowa Physiological Society

Chapter of The American Physiological Society

2006 Program

Friday, Sept. 22, 2006

12:00 – 12:55 pm	Registration
12:55 – 1:00 pm	Welcome Address
1:00 – 2:00 pm	Greg Fink: <i>"Reactive oxygen species in the central and peripheral nervous systems in salt-sensitive hypertension"</i>
2:00 – 3:00 pm	Training Award Finalist Presentations
3:00 – 4:15 pm	Coffee Break and Poster Tour
4:15 – 4:50 pm	Don Heistad: <i>"Reactive Oxygen Species in Blood Vessels"</i>
4:50 – 5:00 pm	Concluding Remarks and Business
5:00 –	Barbeque and Volleyball

Saturday, Sept. 23, 2006

8:30 – 9:30 am	John Osborn: <i>"Salt and hypertension: Could it all be in your head?"</i>
9:30 – 10:30 am	Training Award Finalist Presentations
10:30 – 11:45 pm	Coffee Break and Poster Tour
11:45 – 12:15 pm	Mark Chapleau <i>"Reactive oxygen species signaling in the autonomic nervous system: From disease to ion channel"</i>
12:15 – 12:20 pm	Presentation of Joint Meeting by Nebraska Physiological Society
12:20 – 12:30 pm	Announcement of Trainee Award Winners and Closing Remarks
